***The Founders Fund, Inc.  
Completes Production of Mission Statement Video***

*(September 18, 2010 – Naples, FL)* The Founders Fund, Inc. is proud to announce the completion of a video project showcasing the mission of the non-profit scholarship organization along with event highlights and student achievements.

Featuring footage from the Biennial Ed Brennan Memorial Golf Tournament and the Annual Scholarship Reception, the video explains the various events and functions The Founders Fund holds each year, as well as, the scholarship application and review process, and the importance of volunteers, benefactors, and sponsors have in helping to further the cause. The video will be used for public awareness and fundraising presentations.

“I’m very pleased with how beautifully the video was put together,” said Sue McNaghten, newly appointed Chairman of The Founders Fund Board of Trustees. “It really captured the essence of what The Founders Fund is all about – providing financial assistance to young men and women in their pursuit of post high school education. Our mission statement appears at the start of the video, and through all the footage, you can see the poignant influence of that mission.”

The video script was written and produced by E. Sue Huff & Associates and shot and edited by Alpha Media Inc. and can be viewed on the Founders Fund website –
