The Founders Fund Scholarship College Mentorship Program

Our Mission

To provide financial assistance to CPB staff and their children as well as young men and women from Collier County in their pursuit of a college education.

Our History

Founded in 1991 by members of CPB, we have awarded in excess of \$5,000,000 to over 775 students. The current grant is \$6,000/year for 4 years.

The Scholarship

Each year, approximately 25 to 35 students from Collier County receive renewable annual scholarship awards helping them defray the cost of attending colleges across the country.

Mentorship Program

Established in 2021, our Mentorship Program is designed to provide a one-on-one mentoring experience for our Founders Fund scholars.

Mentors serve as a resource to our scholars through their college careers by providing advice and guidance for the scholars' academic success, career development and personal growth.

How Does it Work?

- The Mentorship Program is open to all regular and social club members.
- Mentee selection is made with the help of high school guidance counselors to identify students who would benefit from additional support.
- The mentoring relationship is developed over time through texts, emails, phone/video calls and one-on-one meetings.
- Each mentor is expected to make at least a two-year commitment.
- There will be periodic meetings of mentors for feedback and support.
