Dear Annette,

It's hard to believe that another season has ended. We were so lucky to enjoy Club Pelican Bay and its wonderful amenities for the past several months. I am especially appreciative since we began the season in Hurricane Ian recovery mode. Ken Kouril and his entire Team really did deliver!

The Founders Scholarship Fund Board has been quite busy these last few months. We had a record-breaking year, with over 100 students in Collier County applying to receive our Scholarship. The Board interviewed all students who met the criteria, and then (very) carefully selected 27 outstanding scholars. You would be so impressed with them all.

Meet our 2023 scholarship recipients!

We recently hosted an Awards Ceremony where students and their families came together to celebrate this honor. We learned where each student will attend college, and listened to them as they shared their goals and aspirations. It was inspiring to say the least.

I wish you a safe and happy summer, and look forward to seeing you in the fall!

Gratefully,

Pat Chadwick, Board Chair

To those of you who have donated this year, THANK YOU! We are immensely appreciative. And to those who would like to support our efforts, we have made it easy. Just press the link below . . .

DONATE

Your generosity is really making a difference.

100 kids from Collier County are receiving \$6,000 per year (\$24,000 for four years).

Since most of our kids attend college within Florida, this scholarship covers 25% of the total cost.

SAVE THE DATE !

Mission

For over 30 years, Founders Scholarship Fund of Club Pelican Bay has stayed true to its mission — to provide financial assistance to young people from Collier County in their pursuit of post high school education and training.
